2021 IHSPA INDIANA ADMINISTRATOR OF THE YEAR

**pictured far right alongside Southport HS student journalists*

The Indiana High School Press Association annually recognizes **a building or district-level administrator who has made outstanding contributions to scholastic journalism** within their school and the state of Indiana. This individual should be someone who **not only respects the First Amendment rights of their students, but supports these journalists and their adviser** when they are threatened for practicing these freedoms in student media.
